## BACKHOE

SKID STEER ATTACHMENT

### BREAK NEW GROUND...

*When it comes to landscaping and excavating, start the job right with the backhoe.*

This backhoe attachment digs deeper and reaches further. The versatile curved-boom backhoe attachment that fits your tractor and your property. The backhoe is a rugged backhoe that's ready to sink its teeth into any task you give it, from landscaping to concrete footings. The backhoe gives you precision and power at your fingertips. Running deep with features, the backhoe will turn your mountain of a job into a molehill.

### FEATURES

- Operator seat swings for better visibility of work area
- Optimum performance with 5-7 GPM hydraulic system
- Dual cylinder swing provides maximum swinging power
- All main pivot points greaseable for easy maintenance. Full width replaceable hardened steel bushings on all wearable pivot points
- Boom & rotation lock for transport
- 9", 12" (3 teeth), 15", 18" (4 teeth), 24" (5 teeth) and 24" ditching bucket (no teeth)
- Street pads optional
- Our universal attachment plates fit most skid steers
