DUMPING BOX

SKID STEER ATTACHMENT

DUMP IT HERE...

This dumping box is perfect for the landscape industry and contractors to remove unwanted debris. This handy hopper goes wherever your loader goes – in the tightest places. Fill it up, then use your loader to move and dump it where you want. Flat, smooth interior surfaces prevent materials from sticking.

FEATURES

- Pre-drilled holes for water drainage
- Holds a large volume of material
- Mounting plate pivots for smooth maneuverability
- Our universal attachment plates fit most skid steers
