UTV HYDRAULIC SNOWBLOWER

UTV ATTACHMENT

**IT'S SNOW
TIME...**

Put your UTV to work during the winter months with our 60" UTV Snowblower. The 12" auger feeds the 4-blade fan to efficiently cast snow up to 20'. This is a serious snowblower for your quality UTV.

FEATURES

- 60" cutting width
- 12" open flight auger, 16" 4-blade fan design
- Hydraulic power unit, sold separately
- Use of existing UTV winch for lift operation is required
