## V-PLOW

SKID STEER ATTACHMENT

**AND THE SNOW WILL GO...**

The V-Plow puts you in position for highly productive snow removal. V, scoop, left, right, and straight positions allow you maximum maneuverability. This attachment is engineered for quality from the ground up.

### FEATURES

- Two-way hydraulic only control provides full moldboard control in V, scoop, left and right positions
- 2" bore x 10" stroke cylinders with 1 1/4" rods and 1 1/4" cylinder pins
- Trip edge utilizing four extension springs
- Floating moldboard and adjustable cast skid shoes
- Central cutting edge bracket is designed to block snow from passing through the blade hinge point
- Our universal attachment plates fit most skid steers
